SUBJECT: MDA DEMARCHE DELIVERED

REF: A. STATE 99422

[1B.](#) STATE 95211

[¶](#)1. On June 19, Emboff delivered talking points (Ref A) to Nirmal Kafle in the office of the United Nations and International Organizations in the Ministry of Foreign Affairs (MFA) about preventing a conference disruption at the June 20-21 International Conference on the Red Cross and the Red Crescent Movement. Emboff stressed the importance of sending a representative to the June 20-21 conference and urged Nepal to vote again in favor of the changes to create a third neutral emblem, the red crystal, and against any vote to adjourn the conference. Kafle stated that the MFA had instructed its mission in Geneva to follow the guidance in talking points delivered last week (Ref B) and to send a representative to vote at the conference. Kafle noted that Nepal would vote against adjournment of the conference and for the changes to create the red crystal emblem.
